

WARRANTY

1 Year Guarantee

Please take time to read about the protection we offer you

All our products come with a guarantee designed to protect you as our valued customer. Flow Imports Ltd., the makers of ZEMPIRE® Camping Equipment, will repair or replace this product, at their discretion, should it fail due to faulty materials or manufacture for a period of 1 year from the date of sale.

The Guarantee is subject to the following conditions:

1. The Guarantee only applies to an original purchaser who purchased this product from an approved retail outlet.
2. The Guarantee does not apply if the product has been used for anything other than reasonable personal use. Commercial use (e.g. rental) or continuous use are expressly excluded.
3. Damage due to normal wear and tear, accident, acts of God, negligence (other than by Flow Imports Ltd.), failure by the purchaser to ensure instructions for setting up and care are observed, deterioration due to abnormal exposure to ultraviolet light, insect or mildew attack, or any other cause reasonably beyond the control of Flow Imports Ltd. are not covered.
4. If redress is sought under the terms of this Guarantee, then the product must be returned by the purchaser to the outlet from where it was purchased within the Guarantee period, in a clean, dry state and with proof of purchase.
5. All transport costs and any other indirect costs are excluded from the Guarantee.
6. Flow Imports Ltd. reserves the right to make a reasonable charge for repairs which it determines are not within the scope of the Guarantee.
7. The Guarantee does not limit, modify or exclude any rights under any law if doing so would contravene that law or make any part of this Guarantee invalid. However, Flow Imports Ltd.:
 - a) excludes (to the extent permitted by applicable law) all conditions and warranties that might otherwise be implied; and
 - b) limits its liability for breach of any such condition or Guarantee that it cannot exclude together with its liability under the Guarantee, to repairing or replacing the Goods or paying the cost of having the Goods repaired or replaced (at Flow Imports' option).

This product has been made with meticulous care and attention to detail. Providing it's properly looked after and correctly stored, it will help you enjoy all that nature has to offer for years to come.

INSTRUCTIONS

Zempire® 
CAMPING EQUIPMENT

INSTRUCTIONS

Preparation instructions

- Before use, rinse the bag with a mixture of warm water and one teaspoon of baking soda.
- Check that the shower head tap is closed and fill the Solar Shower bag with water through the fill cap at the top of the bag.
- Place the shower on a flat surface with the clear side exposed to direct sunlight.
- In approximately 3 hours, you should be ready to take a relaxing hot shower.

Shower instructions

- Ensure the fill cap is firmly in place.
- Hang the shower on a solid structure, either through the carry handle or using the rope provided.
- Test the water to ensure the temperature is not too hot.
- Use the tap at the end of the hose to adjust the water flow.

Solar shower tips

- Solar Showers get very hot, make sure you check the temperature of the water before you have a shower.
- Solar Showers can provide all your hot water needs when camping. Dishes, showers and washing, etc.
- Make sure your Solar Shower is attached to a sturdy structure. (20 litres equals 20kgs)

Approximate heating Times

(Actual heating times will vary, these estimates are based on a 22°C sunny day.)

Attention!

WARNING

- Solar Showers can reach temperatures in excess of 45°C. Test the water before use and add cold water as needed.
- Do not use your Solar Shower for storing drinking water.
- Store filled bag in a secure area away from foot traffic while heating.
